About The Energy Co-op

The Energy Co-op uses the power of community to lead today's sustainable energy evolution. As a sustainability-focused 501(c)(12) nonprofit cooperative, we help our members buy, use, and understand renewable energy. We are Pennsylvania's only member-owned supplier of 100% renewable electricity and 100% renewable natural gas, and we offer affordable, transparently-priced heating oil to members in southeastern Pennsylvania, northern Delaware, and southern New Jersey. We are a small, dynamic team based in Philadelphia, and are seeking a part-time Marketing Intern to assist with building The Energy Co-op's public presence and brand, and better understanding our marketing data and demographics.

Position Overview

The Marketing Intern will support the success of The Energy Co-op's branding strategy, assisting the Marketing Manager with the management of social media channels, copyediting for campaigns and communications to The Energy Co-op's membership community, and market research and data collection. The Marketing Intern will execute a variety of day-to-day responsibilities in tandem with aiding longer term strategic projects and priorities. The individual will gain firsthand experience with the administration and operations of a member-owned cooperative and have opportunities to pursue projects related to their particular interests and skillsets.

Responsibilities

- Assist Marketing Manager with developing social media engagement protocols and strategies
- Conduct routine maintenance of all social channels (Facebook, Twitter, LinkedIn, and Instagram), including creating new posts, engaging with comments and traffic, and interacting with other accounts
- Provide copyediting assistance for social media and website communications
- Conduct communications testing for major communications
- Create templates for event promotion, strategic partnerships, and other social media posts
- Create designs for branded materials
- Represent The Energy Co-op at in-person events

Research, Data Collection and Analytics (50%):

- Assist Marketing Manager with administrative projects related to demographic research
- Assist Marketing Manager with administrative tasks related to Google Ads and Google Analytics data tracking
- Assist Marketing Manager with data analysis related to marketing and fundraising campaigns, partnerships, and other communications
- Perform external quality checks of The Energy Co-op's website, public reviews, and social media channels
- Conduct research on prospective strategic partners, vendors, and tools

Required Qualifications

- Actively completing final year of four-year degree program, with focus on marketing, advertising, or related field of study
- Excellent verbal and written communications skills
- Intermediate digital marketing platform user experience
- Ability to synthesize and communicate information effectively
- Highly organized with a keen attention to detail
- Strong time management and prioritization skills
- Based in the Greater Philadelphia area

How to Apply
